

**Virtual Walk around Killyfole Lough**

Killyfole DDA, Thursday 30 October 2014 - 10:35:40

With the good weather lasting well into October, the Killyfole and District Development Association have created a virtual tour of the Lough side path. The sequence was taken on the 29th October and shows the trees in their autumn colours. To view the virtual tour, just click on the image below and then when the player loads, click the play button.

We hope to repeat the process in the summer time, so watch this space
